

EnCOP© Promotional Item Register (EnCOP Specific Products)

Organisations are asked to consider sharing EnCOP promotional products that are EnCOP logo specific rather than those with partner branding as well. Items for sharing can be placed on this register and any requests for availability to loan items can be made via email using the details noted. It will be the responsibility of the person borrowing the item to collect it from its stored location and to agree the loan period with the item owner organisation. To place an item for sharing within this register please contact the central EnCOP team via: ghnt.encop@nhs.net
