Housekeeping

- Please ensure microphones are muted and during presentation cameras are turned off.
- The event will be recorded and shared.
- The webinar recording and presentation will be circulated and uploaded on to the website following the event.
- If you have any questions during the session then please use the chat facility. We will attempt to address questions, if we can't then we will follow up after the event.
- Please also use the chat facility to inform us of any technical issues as this will be monitored closely throughout by one of the EnCOP team.
- Occasionally you may have difficulty seeing or hearing video clips that are played, this will usually be due to your own device or software settings and not something we can influence during the webinar session. Please be assured all content will be shared following the event so you will have an opportunity to view afterwards.
- If you need to take a break at any time throughout the session please feel free to do so.

Ideas for Learning Consolidation & Competency Conclusion

Consolidating Learning:

Reflection on the session & considering application to practice & what this means 'your people'

- Think about this session in relation to your own role
- How much of this was revision?
- What have you learned today ?
- How will this help you in your role ?
- Think about your EnCOP self-assessment; consider which performance indicators this session may relate to and how this can be used as part of your own development / competency achievement.

A: Values, Attitudes and Ethical Practice

B: Evidence Based Care : Supporting learning, leadership and improving care for older people

C1: Partnership working and communication with older people, families and others

Domain D3 : Ageing Well : Promoting & Supporting Independence, Autonomy & Community Connectivity for Older People
